Here are some resources for HS 1 from Debbie Bhutta at Multnomah County CCR&R:

HS1 - Five Star:

Multnomah County has presentation you can schedule for children and parents – See link below

<https://multco.us/school/oral-health-education>

And Colgate will send free toothbrush and one time paste in February;

<http://www.colgate.com/app/BrightSmilesBrightFutures/US/EN/Program-Materials/For-Educators/Teachers.cvsp>

<http://www.colgate.com/app/BrightSmilesBrightFutures/US/EN/Program-Materials/For-Educators/Dental-Professionals.cvsp>

At least once per year, children are provided instruction on how and when to brush teeth (for example, staff or dental hygienist demonstrating techniques, providing brushes and having children practice technique, etc.) and have opportunities to practice tooth brushing.

Evidence:

Written description or program policy explaining how and when instruction is provided to children on tooth brushing.

The standard stands – “children are provided instruction on how and when to brush teeth” one of the options is by staff – so your teachers could provide the information
